

Inspera Assessment was updated 3rd November 2016

The update was completed at 19.00.

Sign up for our Release Webinar: [Tuesday 8th November, CET 14.00 - 14.30](#)

New features

- Home exams: [Automatic submission when test end time has been passed](#)
- Plagiarism: [New option to hide plagiarism report from graders](#)
- One-time users: [Import one-time users from csv](#)

- Virus scan: [New log-event about infected files](#)
- GeoGebra: [New, manually graded question type](#)
- [Export marks from a test as csv](#)
- [Assessment Player 2.0](#) - Update completed:
 - Preview from authoring
 - Offline-detection: Full support for offline-detection in SEB for MAC
 - Post-delivery review
 - Support for audio player in Internet Explorer
 - Display correct and wrong answers
 - Display Messages from Monitor, and message log
 - Math Entry and Math working: Available in PDF
 - Improved layout for PDF panels
 - Improved results page
 - Improved accessibility
 - Support for oral question types and tests
 - Navigation bar: Support for hundreds of questions
 - Improved pre-loading
 - Correct primary language displayed at startup
 - Improved "snapping" in Drag and Drop
 - Quit SEB warning available in Monitor
 - Author Preview Tool: Added option to collapse right panel

Tests that have started will not be affected by the update

Test that have started will be delivered by the player-version selected prior to activating the test. Tests that have *not* started, will be delivered in new player.

During November we will improve the following

- Documentation: Update illustrations of Player in all articles
- Spell checker: Support spell-checker management post-activation

- Author: Automatic saving of questions upon previewing
- Protocol: Display subject code and subject combination
- Candidate Dashboard: Display information about last edit of submission
- Social Security Number: Display SSN (if activated) upon ID control
- Drag and Drop Questions: Improve snapping
- Grading workflow: Option to manage workflows in Deliver tool

Next release is scheduled for 25th November 2016

This release will include new features for:

- Automated management of paper-based sketches and submissions
- Custom designs of Student Dashboard and Player

Have a great Autumn!
